Dear Parents/Carers

You may be aware that the school was broken into overnight resulting in some damage to doors and money being taken. The damage was isolated to the offices, no classrooms or learning spaces were affected.

I am writing, firstly, to say how maturely and sensibly the children have coped with what must have been an unsettling day.

It is important to re-enforce to your son or daughter that they are safe and that their learning will not be affected, the damage will be repaired and the pupils and staff will show that they will not allow this situation to stand in the way of their education.

I would like to thank you for the massive support we have already received from the local Parents/Carers. It's wonderful that in times like this the local community comes together to support the school.

Obviously if you or anyone in the community has any information which could help the police with their enquiries please contact 08454 567000.

Yours Sincerely

Mrs Ann Winter
